# How To Use This Index

This reference index contains every case reported in 2011 in *Texas Insurance Law & Litigation Alert*. The index is organized into three sections:

## Section A - Cases Reported, by Parties

The parties in the style of each case are listed in alphabetical order, by both plaintiff and defendant.

## Section B - Cases Reported, by Jurisdiction

Each case is listed under the court jurisdiction in which the case was decided. First listed are the federal appellate courts, e.g., the U.S. Supreme Court and the circuit court. Next listed are the state's appellate courts and the federal district courts.

For the A and B sections, the case name is followed by the page number on which the case begins.

## Section C - Subject Matter Index

This section is organized alphabetically by major headings, and within each major heading by sub-topics. Topics are followed by references to the relevant case(s). Cases are cited to the page number on which the case begins.
